

on said PTO-1449 was never initialed by the Examiner, as the Supplemental IDS was filed the same date the Notice of Allowance was mailed. Therefore, attached hereto is another copy of the previously filed June 26, 2002 Supplemental IDS and accompanying PTO-1449. The undersigned respectfully requests that the Examiner consider and initial the art listed thereon.

Also, on April 30, 2002 Applicant filed a Letter Submitting Formal Drawings with attached drawing sheets 1/5 and 2/5 to correct errors of a typographical nature in Figs. 1 and 2. There was no indication on the Notice Of Allowance of June 26, 2002 that the drawings were accepted. Applicant respectfully requests that the Examiner indicate acceptance of the formal drawings.

This application is believed to be in immediate condition for allowance, and action to that end is requested. If the Examiner's next anticipated action is to be anything other than a Notice of Allowance, the undersigned respectfully requests a telephone interview prior to issuance of any such subsequent action.

Respectfully submitted,
